👤 PROFILE

Unity Developer with 3 years of hands-on experience designing, developing, and optimizing mobile games using Unity and C#. Skilled in casual and hyper-casual game development for both Android and iOS platforms.

Short-term goal: Continuously improving both technical expertise and soft skills to accelerate personal and professional growth.

Long-term goal: Becoming a team leader—coaching and managing teams to build high-quality products, fostering collaboration, and delivering outstanding results.

💼 WORK EXPERIENCE

WEJOY JOINT STOCK COMPANY (2023 - 2025)
Unity Developer
- Developed Hyper-Casual and Puzzle games for mobile platforms.
- Mentored interns by guiding them through coding standards, best practices, and Unity workflows.
- Contributed to the creation and maintenance of in-house development tools in Unity to improve programming workflow and team productivity.
- Involved in the entire product lifecycle, from prototyping and iteration to final release and store deployment.
- Over 10 game titles successfully published on app stores.
- **Notable projects:**
    - Decor Life: Dream Home Design
    - Screw Shift Frenzy
    - Slime Hole Master

GADGAME - INTERNATIONAL VIDEO MARKETING Co., Ltd. (2022 - 2023)
Unity Developer
- Participated in the development of small to mid-sized game projects across multiple genres including Infinite Runner, Rhythm, and Casual.
- Took ownership of core gameplay implementation, performance optimization, and bug fixing.
- Collaborated closely with design and production teams to ensure both project timelines and quality standards were met.
- Successfully completed and published two game titles on app stores (both titles have since been removed from public listings).

EDUCATION & CERTIFICATIONS

Bachelor of Computer Science (2024)
